

School Council

The School Council has the role of governing the school on behalf of Portland Heywood Lutheran Church. It consists of eight voting members from the School and Church communities and several non-voting members including the Principal and the Pastor.

The Council sets vision for the future and oversees areas such as the buildings, grounds, finance, policies, uniforms and promotion of the school. These areas are managed via sub-committees which also include non-Council members and school staff.

There is a wealth of experience within the Council with each person bringing in their various gifts and expertise.
